About Origin Communities

Origin is exclusively involved in the acquisition, development and management of innovative options to conventional accommodation for adults over 50 years of age.

Origin is committed to providing all members of our communities with the highest quality accommodation and service. We are dedicated to creating a gracious environment of comfort care in which everyone has the opportunity to experience the lifestyle of their choice. *Origin's* existing group of communities span the range from traditional retirement residences to adult lifestyle resort communities.

Lake Bonavista Village joins Trinity Lodge and The

Origin is a registered trademark of Origin Adult Communities Inc.

Additional Services

Living at Lake Bonavista Village means receiving the highest level of personal service. Weekly housekeeping and linen service is standard, while laundry and dry cleaning services are optional. Chauffeur service throughout Calgary is available by appointment. Professionals such as income tax specialists, travel agents and financial planners can be found on a regular basis in our Guest Office, offering advice and assistance.

Safety and Security

Lake Bonavista Village places a high priority on your personal safety. Every suite is equipped with an emergency call system, monitored by nurses ready to respond 24 hours a day if the need arises. In addition, optional service packages are available, including medication administration and assistance in arranging appointments with doctors and other health professionals.

Location

Lake Bonavista Village is located in southeast Calgary. Situated at the corner of Macleod Trail and Anderson Road, it is surrounded by the neighborhoods of Bonavista and Lake Bonavista Estates, close to a full range of retail and professional services. Lake Bonavista Village offers a convenient, easily accessible location for residents, their families and friends.
